Safe-Electric (Nationwide) Ltd understands and agrees to the following:

- Safe-Electric (Nationwide) Ltd will provide a 3-year warranty on the installation of the above charge points installed under the above schemes, to cover onsite repair and replacement. ABB will provide a 3-year warranty for material and labour on the charge points once any defective charge points or components have been identified, having been returned to ABB's warehouse in accordance with ABB's customer returns policy.
- All installations will comply with The IET Code of Practice on Electric Vehicle Charging Equipment Installation and other relevant standards.
- Safe-Electric (Nationwide) Ltd will install and commission the charger in accordance with ABB's installation manual and in accordance with the relevant OZEV scheme under which the grant is to be claimed (EVHS or WCS).

Yours sincerely,
